

FVP Purepick
Agricultural Wholesale

Collection Hub Partner Program

Register your hub to support procurement, aggregation, storage coordination, and pickup operations across nearby farming clusters.

Turn local infrastructure into a verified farm-to-market node.

Smart onboarding collateral

Use this document before filling the Join With Us form.

Why collection hubs join

Register your hub to support procurement, aggregation, storage coordination, and pickup operations across nearby farming clusters.

Hub assessment

Capacity, storage type, and radius captured

Local coverage

Pickup radius and operating days reviewed

Operations workflow

Activation after profile and document checks

1

Position your local hub for structured aggregation and procurement operations.

2

Document capacity, storage type, location, and pickup radius in one profile.

3

Support farmers with a clearer path for collection and movement of goods.

4

Move into operations only after verification and admin onboarding steps.

How onboarding works

1

Submit owner and hub profile details.

2

Provide hub name, storage type, capacity, operating days, and pickup radius.

3

Upload supporting hub document if available.

4

Admin verifies location, capacity, and operational readiness.

5

Approved hubs receive operating and payout process instructions.

Required information

- Owner name, contact, Aadhaar, address
- Village, district, state, PIN code
- Hub name, storage type, capacity in MT
- Pickup radius, operating days, optional hub document

Important terms before submission

This is a plain-language program summary for applicants. Final onboarding, payment, payout, or operating terms are confirmed only after verification and admin approval.

01

Registration does not guarantee immediate activation or fixed volume allocation.

02

Operations begin only after verification, route review, and admin approval.

03

Capacity and storage information must be accurate and available for inspection if requested.

04

Payout and operating process are shared after profile approval.

Start with the Collection Hub form on the Join With Us page.
